Tasting Notes

The 2016 BIN 6410 Pinot Noir exudes roasted hazelnut tones on the nose but it is closely followed by the signature aromas of blackberry, cherry, and raspberry fruit for which this wine is known. On the palate, the spice tones and tannins from the oak are supported with the rich fruit and a soft finish. Juicy in the mouth, this wine pairs well with most any food from the backyard grill, hard cheeses, smoked meats, and charcuterie.
